Sing'n'Pray Kobe

After already two successful editions of this wonderful festival we are excited to start the choral year of 2024 in Japan again to joyfully celebrate peace through singing!

The core of "Sing'n'Pray Kobe" is always the grand "Pray from Kobe" concert with more than 600 singers in the beautiful Kobe Bunka Hall.

In 2024 the affiliated choir competition gives national and international participants the chance to compete and sing together in a peaceful contest, supplemented by two additional competition categories this time.
