LET THE SUMMER END TOGETHER WITH CHOIRS FROM AROUND THE WORLD

Traveling to an international choir competition in Portugal has always been on the bucket list of many singers worldwide. "LISBON SINGS" offers the ideal opportunity to fulfill this wish.

Portugal's largest university, the Universidade de Lisboa, opens its doors during this time and becomes the center of choral music - with competitions in various categories, numerous concerts and individual consultation rounds for the participating choirs, offering a full and varied musical program to participants and visitors during the festival days.

Join in and celebrate the last sunny summer days in Lisbon while meeting choirs from all over the world!
